

CITY WALLS KAYAKING & SNORKELING

EXCURSION DESCRIPTION:

Starting from Pile (Kolorina bay) we paddle beyond the fortress Lovrijenac and around City walls with sight seeing. We paddle to island Lokrum where we enter little caves on a open sea side of the island and stop for a swim and to snorkel. After that we paddle to a beach in Betina cave on which you can come only by sea. We'll have a sandwich in the cave.

EXCURSION DURATION: cca 3.00 hours
